

BGC KAWARTHAS FOUNDATION IS LOOKING FOR NEW BOARD MEMBERS!

It's our mission to support BGC Kawarthas by acquiring the necessary financial resources to meet local youth service needs. We give the gift of opportunity by guaranteeing that no child is denied access to Club programs due to financial barriers.

Directors act in a position of trust for the community and are responsible for governance of the organization.

The Foundation Board needs a range of skills and experience. The following are key attributes we're currently looking for:

- Knowledge and experience in fundraising, and inclination to assist with fundraising activities;
- Willingness to advocate for financial and other supports that will assist the Foundation in meeting its mission;
- Interest in participating in board governance and willingness to learn and share expertise in areas such as strategic planning, bylaw and policy work and risk management;
- Human resources and compensation expertise;
- Ability to act as a resource on community needs and willingness to actively promote positive relations with community stakeholders.

Board members should represent a community in which BGC Kawarthas operates. Education and training are provided to all Board members on the Foundation and Club activities.

Interested individuals should reach out to aterrill@bgckawarthas.com in order to receive an application.
