- Teams are responsible for refereeing and scorekeeping their own games, please be fair! If teams cannot agree on a call then re-serve the point.
- Both feet must completely cross the centre line to be a violation, unless it impedes the opposing player.

- At the end of the match both team captains or designates need to record scores on clipboard & initial.
- In order to play all players must be on a team roster and complete and submit a waiver form.

- **February 3 is the final date that new players can be added to a team roster for the 2024-2025 season.**
- Regular players can only be on one team roster. Sub players can be on more than one team roster but can only play for one team in the playoffs.
- Teams must have a minimum of 3 players or they would forfeit their games. If teams are short players night of then they can borrow a player from another team to make 4 for regular season only.
- After 10 minutes if teams don't have 3 players the first game is forfeited, after 20 minutes all games are forfeited.

- Players are only eligible to play in play-offs if they have played with that team in regular season for a minimum of 1 week/match during the regular season. (Please be fair, honor system)!
- For playoffs, if a sub player is on more than one roster then prior to start of playoffs they are required to declare which team they are playing for during playoffs.
- We will have two divisions of six, the top six in the A division, next 6 teams will make up the B Division. After five weeks of play the teams will be re-assigned based on how well they did in the five weeks. After every five week rotation the top two teams in the B division will advance up to the A division and the bottom two teams in the A division will move down to the B division. Standings will be kept for the duration of the season, and you will be awarded points on how you finished in each round of play. From A1- 12 points to B6- 1 point.
